

INFORMATION LETTER

Dear Colleagues,

On **June 5-8, 2025**, the **International Summit "MEDICAL BRIDGE CONNECT: Modern Challenges, Shared Solutions"** (Ukraine – Malta) will take place for primary care physicians. The event will be held in a **teleconference format** with a nationwide broadcast across Ukraine. The main studio halls will be located in Kyiv and St. Paul's Bay (Malta).

As part of the summit, the **Ukrainian-Maltese Symposium of Solidarity** will be held with the participation of leading speakers from Ukraine, Lithuania, France, Malta, and the United Kingdom.

Scientific Organizers:

Ukrainian Association of Multidisciplinary Medicine (UAMM), International European University (IEU), Lithuanian-Ukrainian Public Reform Council, Lithuanian Pediatric Respiratory Society

Why This Summit Matters:

In times of war, new challenges arise, profoundly impacting modern healthcare systems. The world is uniting in support of Ukraine, and the medical community remains actively involved. Lectures, discussions, case studies, and experience exchange will provide inspiration, enhance professional education, and improve the quality of patient care.

Our symposia are not only about continuous professional development but also about bringing together professionals and colleagues who inspire action.

Key Topics of the Summit:

An international team of top-tier experts will address urgent issues in family medicine and pediatrics on an interdisciplinary level:

- Personalized patient care
- Gastrointestinal diseases in family medicine
- Allergology and pulmonology: a multidisciplinary approach
- Nevi and dermatoscopy: what you need to know
- Diabetes: how to maintain control
- Women's health as an interdisciplinary concern
- Oncological vigilance: early detection as a priority
- Burnout prevention in medical practice

Get ready for expert insights, cutting-edge knowledge, engaging discussions, and practical recommendations.

We warmly invite family doctors, pediatricians, and all healthcare professionals interested in these topics to participate.

Certification

Participants of the International Summit "MEDICAL BRIDGE CONNECT: Modern Challenges, Shared Solutions" (Ukraine – Malta) will receive certificates with accredited credit points.

An Educational Journey to Malta

Take advantage of this unique opportunity to combine professional development with a captivating trip to the magical and sunny Malta.
